MIGHTY MARKER[®] DG

Degrease Resistant Permanent Paint Marker

Features

- General purpose pigmented paint marker that writes on almost any surface
- Highly resistant to most coolants and cutting fluids (water based, synthetic & semi-synthetic), degreasing bath and other industrial chemicals.
- Makes permanent bright marks on rubber, plastic, metal, glass, leather, stone, wood, vinyl and most other non-porous surfaces
- Quick drying, pigmented ink withstands indoor and outdoor conditions.
- Markers can be used to permanently identify inventory, assemblies, tools, work in progress or finished products while resisting most work related abuses or compounds
- Valve action mechanism prevents paint in barrel from drying when the cap is left off.
- Marker has a heavy duty aluminum body with large paint capacity.
- Bullet and chisel tips are replaceable to assure complete use of paint in each marker.

Health and Safety

- Flammable liquid and vapor. Keep away from heat, sparks, and flames. Use with adequate ventilation and avoid contact with skin and eyes.
- Please refer to Safety Data Sheet (SDS) for complete information.

Directions for Use

- Shake well with cap on
- Depress tip to start flow
- Keep capped when not in use
- Felt tips are replaceable
